

2019/20 Quality Improvement Plan for Ontario Long-Term Care Homes

"Improvement Targets and Initiatives"

Rosedale Centre 507- 8th Avenue

AIM		Measure							Change				
Issue	Quality dimension	Measure / Indicator	Type	Unit / Population	Source / Period	Current performance	Target	Target justification	Planned improvement initiatives (Change Ideas)	Methods	Process measures	Target for process measure	Comments

M = Mandatory (all cells must be completed) P = Priority (complete ONLY the comments cell if you are not working on this indicator) C = custom (add any other indicators you are working on)

Theme I: Timely and Efficient Transitions	Efficient	Number of ED visits for modified list of ambulatory care-sensitive conditions* per 100 long-term care residents.	P	Rate per 100 residents / LTC home residents	CIHI CCRS, CIHI NACRS / October 2017 – September 2018	X	10.00	We are striving to maintain our current performance below 10%	1)Identify at-risk residents for emergency department admissions	Involve full time RPN in identifying at-risk residents on a daily basis	Number of at risk residents who are identified and promptly seen by physician	100% at risk patient will be promptly seen by physician	
									2)Look for changes in health status and identify signs and symptoms that warrant involvement of medical staff	Introduce tools such as Emergency Department Utilization – Clinical and Organizational Change Concepts and Ideas	Percentage of tool implemented	100% tool implemented	
Theme II: Service Excellence	Patient-centred	Percentage of complaints received by a LTCH that were acknowledged to the individual who made a complaint within 10 business days.	P	% / LTC home residents	Local data collection / Most recent 12-month period	CB	CB	Complaints received are acknowledged, but no formal process to collect and track this information.	1)Review policy for managing concerns and complaints in LTC to ensure these are managed and acknowledged in a timely manner	Work in collaboration with Patient Relations delegate from Hospital to create database	Percentage of policy reviewed	100% policy will be reviewed by July 2019	
									2)Develop formal process to track and trend activity using a database	Formal reports to be developed and shared at the Quality Committee of the board, Resident and Family councils and staff	Percentage of process developed and fully implemented	100% of process developed and fully implemented by July 2019
